**Join us at the 2008  
October 28-30, 2008**

Chaparral Suites Resort  
Scottsdale, Arizona

# TURBOPROP EXPO

Enjoy the amenities at Chaparral Suites Resort. Step directly from your suite into the Arizona sunshine, in surroundings of cool fountains, lush vegetation and sparkling pools. Play tennis, swim in one of the two oversized pools, enjoy a whirlpool, or exercise in our fitness facility.

## Participate in informative sessions designed for:

- Operators (private, corporate, airline and others)
- Owners of Turboprop aircraft
- Maintenance facilities, FBO's
- IA Refresher Sessions
- Manufacturers
- Mechanics
- Pilots

Your registration fee of only

**\$99.00**

gives you

## Featuring

- King Air Operators Series
- Twin Commander Operators Series
- PT-6 Engine Series
- TPE-331 Engine Series
- 100 Industry Exhibits

- Entrance to all sessions
- Full buffet lunch each day
- Pre conference welcome reception
- Informative breakout sessions

"The Turboprop Expo is the only conference dedicated to this important segment of the aircraft industry. We have assembled a broad range of leading company representatives as well as a varied schedule of informative programs presented by industry leaders."

**Dilip Patel Turboprop Expo Chairman**  
Manager, Turbine Engine Fleet - Ameriflight

**Pre Expo  
Golf & Sedona Tour**
